

PRESTWICH GOLF CLUB

Mobile Phone Policy

Prestwich Golf Club is a friendly club with a relaxed atmosphere. We consider our mobile phone policy to be a sensible one- acknowledging that mobile phones and social media are almost integral to the modern lifestyle.

However we are aware at times they become a source of annoyance to some members and visitors particularly when used in areas with high background noise where the user has to raise their voice to be heard.

In The Clubhouse.

All we ask is that members or visitors use their phones or tablets discreetly whilst in the clubhouse ensuring there use does not unduly effect the enjoyment of other members or visitors. If need be, take calls in the corridors or balcony to avoid annoying other members.

On the Course

Mobile phones must only be used for emergencies on the course.

General Notes

Please note that on some occasions, General Meetings, Trophy Nights etc. the use of mobile phones in the clubhouse will not be allowed.

Members are advised not to approach another member/visitor regarding his/her use of mobile phones. Please report your concerns to a member of staff, Director or The Club Captain and they will deal with any issues.
